Community Use After School Enrichments at Hulstrom K-8 for Spring 2016-17

last updated 4/4/17 at 1:20 p.m.

Chess Wizards

Ages: K-6th grades

Day/Time: Mondays from 3:05-4:05 p.m. in Sturgeon (43B)

Dates: 02/27 - 05/08/17 (no class 03/27 and 04/03)

Cost: \$126

Contact: Travis Ksander | 720-415-9149

Register online at www.ChessWizards.com

A highly interactive instructional chess program open to both beginning and advanced chess players. Students will engage with the chess class through free play, exciting lessons (taught by our own Chess Wizards), trivia, and variation group games. Students will accrue points throughout and will be awarded a Chess Wizards trophy at the end of the session.

Little Medical School - Part 1

Ages: K-5th grades

Day/Time: Tuesdays from 3:00-4:00 p.m. in Oakman (Room 007)

Dates: 04/06 - 05/11/17

Cost: \$89

Contact: Jessica Ulibarri | 720-263-1056

Register online at <https://campscui.active.com/orgs/LittleMedicalSchoolNorthDenver>

Did you miss Little Medical School - Part 1 at Hulstrom last spring? Come join us as children learn and have fun as they dress up like doctors, learn how to use instruments that doctors use, and understand how the body works! Topics include What's In A Doctor's Bag?, All About The Heart!, All About The Lungs!, Digesting Digestion!, Is There A Surgeon In The House?, and Medical Fun and graduation!

Mad Science - Mix It Up!

Ages: K-5th grades

Day/Time: Wednesdays from 1:50-2:50 p.m. in Munoz (Room 006)

Dates: 04/12 - 05/10/17

Cost: \$79

Contact: Mad Science | 303-403-0432

Register online at www.colorado.madscience.org

Join Mad Science as we explore Physics, Chemistry, Meteorology, Zoology, and more! We'll build super structures, work in the lab, and investigate the fascinating way animals disguise themselves. Conduct hands-on experiments to discover how and why weather occurs! Try your hand at engineering and architecture as we build bridges, towers, and other structures! We'll teach you how to properly use laboratory equipment to measure and mix chemicals, and you'll learn to spot the difference between a chemical and physical change. This engaging enrichment program from Mad Science will give you an inside look at a variety of scientific disciplines so get ready to Mix It Up!

SpaceTime Rockin' Rockets

Ages: K-3rd grades

Day/Time: Tuesdays from 3:05-4:05 p.m. in Donahue (Room 009)

Dates: 03/07 - 05/09/17 (no class on 03/28)

Cost: \$145

Contact: Ed Ludka | 720-851-7700

Register online at	https://www.spacetimekids.com/main.php?pname=upcoming
<p>With SpaceTime's Rockin' Rockets after school enrichment program, kids will get to do just about everything there is to do with rockets ... short of riding one into space! They will go on a wild ride into the fascinating science of rocketry and space exploration and go hands-on to build and launch safe, non-combustible rockets. Activities include learning about the science and history of rocketry, crafting their own SpaceTime Blaster Rockets, and launching lots of different kinds of rockets.</p>	

Sticky Fingers Cooking	
Ages:	K-8th grades
Day/Time:	Wednesdays from 1:45-2:45 p.m. in Kettler (113)
Dates:	03/08 - 05/10/17 (no class 03/29)
Cost:	\$21 per class
Contact:	Kimberly Douglas 303-648-4078
Register online at	https://stickyfingerscooking.com/school-programs/colorado/hulstrom-options-k-8-spring-2017-k-8th
<p>Let your child release their inner chef! Students will prepare and eat healthy, globally inspired recipes all while learning to cook in a fun, engaging, and real-world way! Our chefs will reinforce kitchen skills associated with our weekly recipes and emphasize each area of cooking—terminology, ingredients and fun nutrition facts (even a few bad jokes!) We will practice measurements, use a wide array of cooking utensils all while preparing the freshest ingredients. Full recipes will be created each class with our AWESOME master chef Sticky Fingers Cooking Instructors. Your kids can have a blast every week discovering how easy and fun it is to cook (and gobble up!) tasty, healthy, American classics and globally-inspired Sticky fingers Cooking recipes! Sticky Fingers Cooking offers young chefs the chance to explore exciting tastes (all seasonal and as local as possible), master culinary skills (that they can put to use in family kitchens), and nourish their bodies and minds. We provide all of the tools, ingredients, and instruction needed to cook up a fun, delicious, and healthy after-school snack each week. Our on-line recipe collection is included as well for each chef for future family cooking fun at www.stickyfingerscooking.com/recipes</p>	

Strategic Kids LEGO Learning	
Ages:	1st-5th grades
Day/Time:	Thursdays from 3:00-4:00 p.m. in Martin (018)
Dates:	03/23 - 05/11/17 (no class 03/30)
Cost:	\$84
Contact:	Blake Hepburn 720-402-7758
Register online at	www.strategickids.com
<p>In LEGO Storytelling: Superhero Edition!, students dive into the fascinating and exhilarating world of superheroes. Explore superheroes, villains, and the worlds in which they live. Kids will use fun facts and logic to help solve the dilemmas superheroes find themselves in on a regular basis. Along the way students will create wonderful stories of adventure and drama.</p>	

Young Rembrandts	
Ages:	5-12
Day/Time:	Wednesdays from 1:45-2:45 p.m. in Dickerson (43A)
Dates:	04/05 - 05/10/17
Cost:	\$79
Contact:	Michelle Brewer 303-997-4601
Register online at	www.youngrembrandts.com/denvernw
<p>Inspire your child's love of art with Young Rembrandts. In our spring cartooning class, kids will draw a variety of fun characters. These drawings will delight our students as they learn how to tell jokes through</p>	

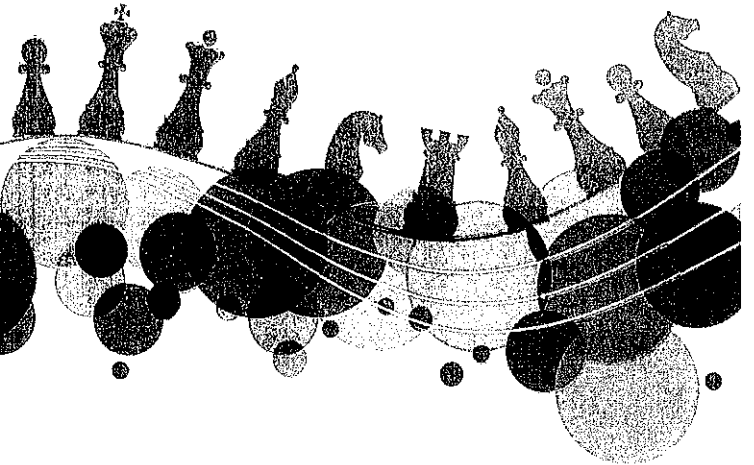

drawing. We will learn how to use simple shapes and lines to create different facial expressions and convey the feelings of our characters. Enroll today!

CHESS WIZARDS

Strategies for Life

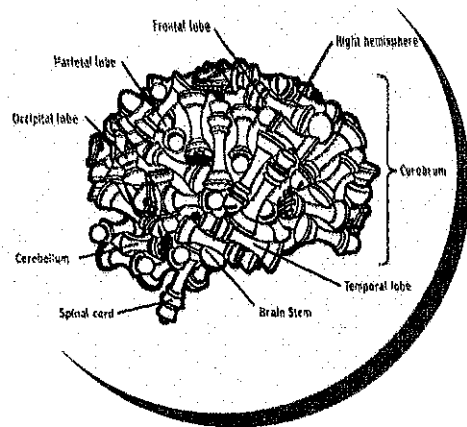

Tired of that glazed-over look from too much screen time?

Ready to make some new friends and amaze your parents with your brain power?

Join Chess Wizards this school year for challenging chess lessons, exciting tournaments, fun team activities, and more!

If you're brand new to the game, we'll teach you the basics and get you playing with the big kids in no time. If you're a seasoned checkmate artist, we'll show you new ways to let your creativity loose on and off the chess board.

Chess Wizards is one of the largest chess academies in the nation. Every year since 2002, our interactive, discovery-based curriculum inspires thousands of students and parents to challenge themselves through the Game of Kings (and Queens!). More than just a game of winning and losing, we challenge our students to think ahead, visualize their goals, treat others with respect, and learn from their mistakes. Studies have shown that chess enhances cognitive development, improves scholastic performance and boosts confidence... plus it's a game kids can enjoy their whole lives!

Your brain is your
SUPERPOWER
Are you ready
to use it?

LET YOUR CHILD BE PART OF THE FUN AND JOIN THE CHESS WIZARD COMMUNITY TODAY!

Chess Wizards has an exclusive partnership with ChessKid.com a safe and secure online chess server designed just for kids. Students can play each other across the country, do chess puzzles, participate in online tournaments, and more! All content is parent-controlled. If you'd like to purchase a full-access year long Gold membership for \$25.00 (a 50% discount) please add the fee to your total, and include your email address so we can send you all the information you need to get started!

Questions about our program? Call us at: 1-866-94-94-FUN

HULSTROM K-8 AFTER-SCHOOL ENRICHMENT PROGRAMS

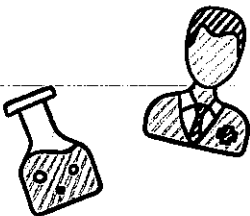

~~LITTLE VETERINARIAN SCHOOL~~
~~Tuesdays, 4/10 - 2/21, No class 2/14~~
~~3 - 4 PM, Grades 1-5, \$89~~
~~Max class size: 12~~

~~Learn all about what it's like to be a veterinarian in this exciting 6-week program! Students learn about how to take proper care of an animal, how to recognize and treat fleas and ticks, how to assess and close lacerations, and the details of how vaccinations work. Each enrolled student receives a stuffed furry friend to use throughout the program which goes home at the end of the session!~~

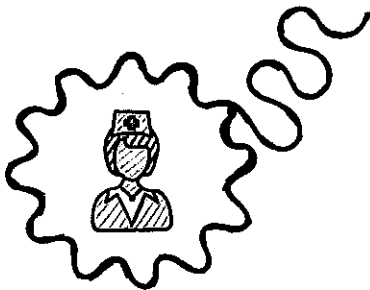

LITTLE MEDICAL SCHOOL - CALLING ALL FUTURE DOCTORS!
Thursdays, 4/6 - 5/11
3 - 4 PM, Grades 1-5, \$89
Max class size: 12

Kids love to dress up and play doctor! In this fun-filled 6-wk program children will explore the exciting world of medicine and learn what it is like to be a doctor. Using interactive demonstrations, role-playing, crafts and games students dive into details about the heart, lungs, what kind of instruments a doctor uses, all about surgery, and how digestion works. Each enrolled child will receive a real medical stethoscope to use throughout the program and take home at the end of the session!
